

Hi NAMS Families,

This is Jon Dilbone calling to share some important information with you about upcoming events.

On Monday April 17, 8th graders who will be attending South Albany High School will be visiting the school. While there they will be selecting classes for next year. The students should have brought home a booklet with information about classes available to them next year.

On Tuesday April 18th West Albany High School will be here to introduce the students to West and to select classes for next year. They will be bringing home information on that day.

Our second track meet is on Tuesday as well, it will be at Timber Ridge at 3.

On Wednesday April 19th West Albany High School will be here to present their AVID program to their incoming 9th grade students for next school year. This will take place during PRIDE class.

On Friday April 21st the PTO will be hosting a movie night. They will be showing two different movies. The doors open at 6:30 and the movies begin at 7. They are requesting a \$2 entry donation and will have dinner available for \$5, concessions will also be available. See the flier on Peach Jar for more information.

If you are interested in volunteering or just want to come and see what is happening at NAMS please contact the office. We welcome anyone who would like to join us.

The Art of Expression is on Saturday May 13 in the cafeteria. We will be showcasing student work along with some hands on activities for students. The students will be sharing multiple ways of expressing their thoughts and feelings from art to poetry to photography and culinary arts. It is a great time and a great way to support students

The final thing in this message is about 8th grade promotion and award assemblies. All the awards assemblies and promotion will take place on Thursday June 15. The 6th grade awards will be at 8 am, the 7th grade awards will be at 10 am, and promotion will be in the evening at 7 pm.

The transcript of this call will also be posted on the school website if you would like to review the information at a later date.

Have a great weekend.
